### READ THIS.

Stevenson, Ala., June 6, 1901.

Dr. E. W. Hall, St. Louis: Dear Sir—I have been a great sufferer from bladder trouble for two years and my case was of a very serious nature, compelling me to have several painful and dangerous operations. I have also taken many different remedies. I took Swamp Root for three years and Warner's Safe Cure two years and they only gave temporary relief. After having two operations and preparing for the third, I saw your Texas Wonder advertised and purchased a bottle. I got almost immediate relief and have continued to improve ever since. My doctors said my bladder had grown together in three places, and I was suffering almost death. No man living can say more than I can say for your Texas Wonder, and I call it a world's wonder, and I hope all who suffer will give it a trial. Wishing you success, I am Yours truly, W. C. DANIEL.

### A TEXAS WONDER.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. Ernest W. Hall, sole manufacturer, P. O. box 626, St. Louis, Mo. Send for testimonials. Sold by all druggists.

E. R. McRae of Palatka has accepted a position as operator in the dispatcher's office of the Atlantic Coast Line. Mr. McRae is regarded as one of the most competent operators in the employ of the system.

Mrs. George Evans departed yesterday for Tampa, where she was summoned on account of the illness of her mother, Mrs. W. T. Gibson. It is hoped she found the condition of the patient improved.

Officer Chas. Warren has just returned from Jacksonville, where he went a few days ago to have an operation performed upon his throat. The operation was performed by Dr. Andrade, a specialist, and friends of Mr. Warren will be gratified to learn that his condition is greatly improved.

Dr. and Mrs. Clyde L. Carter arrived Tuesday night via the Gainesville and Gulf from Atlanta, where they were married Sunday, mention of which has already been made in The Sun. They were met at Sampson City by Hon. and Mrs. Syd L. Carter, parents of the groom, and several friends, who gave them a royal reception. Dr. Carter, it will be remembered, has just graduated from the Atlanta Medical College, and was doubly blessed by receiving a wife and a diploma within two days. Friends here extend congratulations.

C. H. Dunster of New York, special representative of Foley & Company, Chicago, manufacturers of Foley's Honey of Tar, who has been in this city for the past month with his wife and baby, expects to return to their home today. Mr. Dunster made The Sun an agreeable parting call yesterday. He states that he came for the baby's health, and that the little one has greatly improved. Both himself and wife are well pleased with Gainesville, and declare it is one of the cleanest, healthiest cities they have ever visited.

Cattlemen Cancelling Contracts. Ft. Worth, Tex., April 5.—A special to The Record from Oklahoma City says when Warren Bennett, United States deputy marshal for Osage Indian nation, announces many cattlemen will cancel their contracts with the government for grazing leases in the Osage country in view of the fact that the dipping of cattle is so precarious an operation. He says a large herd of cattle brought from Texas was damaged greatly by the dipping and the trip afterward to the Osage nation. A recent order of the bureau of animal industry makes the dipping of cattle going into the Osage country compulsory.
